	<i>Pat Miller</i>
	<i>Jim Murphy</i>
	<i>Sherman Pratt</i>
	<i>Talmadge Williams</i>

The *Arlington Historical Magazine* is being published this year at a particularly emotional and critical period in our national history; as this issue was in the final editorial process, air attacks were conducted on the World Trade Center in New York and on the Pentagon building here in Arlington. The Society extends its support and sympathy to all who suffered, directly or indirectly, from these attacks.
