Dear Sallie,

Its been quite a while since you've heard from me. I don't know whether Wayne has written you or not but doubt if he has had a chance. About 3 weeks ago I fell and hurt my arm at the elbow. I got a bad strain plus a chip off the bone. It doesn't bother me if I keep it at about a 90° angle but I can neither bend it completely nor straighten it completely. I haven't heard from Wayne yet because I just got this address the other day. I'm back in Eng. now. I don't know how long I'll be in the hospital but I hope I am here long enough to start getting mail. I haven't had any for a month and don't expect aby for another month or so.

I wish you'd send me a postscript and maybe I'll get to look someone up. I'd sure like to see someone I know.

Love,

Wendell
