“Ye Old England”

Hi ya, Miss Loving.

Hope this finds you in fine spirits and still enjoying W-L.

I sure thank you for the “Post Script,” it really keeps me up on what is happening to the class of '42.

There's not much going on over here right at the present time, but still enough to keep you busy.

Talk about fun, I am really having it with these English 'girls and of course boys. They don't seem to be able to figure us Yanks out. We are getting them pretty well up on dancing (jitterbug's), sometimes I doubt if they ever had any rhythm.

The days are really long over here, at 11 pm its still as bright as day, it seems funny going to bed in the day time

Tell everyone hello and for them not to work to hard this spring. Thanks a lot for P.S.
Sam-
